- 2.7.13 At the beginning of the race season or at the first event that the competitor participates, three (3) dayglo hats will be issued with a deposit of £10 each. The hats must be worn as intended during the Pit Stop and be clearly visible by all other Team personnel and Pit Lane Officials.

2.8 Exceeding Track Limits – Drivers must use the Track at all times. For the avoidance of doubt the white lines defining the track edges are considered to be part of the track but the kerbs are not. A driver will be judged to have left the track if no part of the car remains in contact with the track. Should a car leave the Track for any reason the driver may rejoin. The modules must be in place and functioning correctly for all Championship qualifying practice sessions and races. The setting and servicing of these items must only be carried out by properly authorised MSA licensed Timekeepers. Competitors will be charged by the timing company for replacement of the Modules due to misuse or loss at any time during the season. Transponders should be operational during all track activity.

- 2.13.2 At the end of qualifying and racing, the Clerk of Course may request to review the footage from any of the cameras. The Clerk of Course may then deal with any incident(s) arising from such review.

The Championship Scrutineers may inspect cameras before a track session and will inform the driver and Clerk of the Course of inoperable cameras.

Only Official Radical Championship Staff may remove the memory cards from the cameras once the track activity has commenced (qualifying or racing) this includes whilst the cars are in Parc Ferme.

If a memory card is removed from the camera by a Team member or Driver during an Official Track Activity ie during a pit stop within qualifying or racing, or while the car is parked in Parc Ferme, without the permission of the Clerk of Course this will be notified to the Clerk of Course and a penalty may be applied.

In the event that no data is available on request (other than due to a proven defect with the equipment) penalties may be applied. The burden of proof to establish the cause of such failure to record will lie with the competitor. The Clerk of Course reserves the right to request footage from any in-car cameras. In these instances the footage will be obtained in Parc Ferme by Radical Championship Officials for review.
